In order to book your appointment, whether this be a video appointment or face-to-face appointment, you need to visit <https://bluecoatcofejunior.schoolcloud.co.uk/>. You will then be asked to enter your details and also the Name and Date of Birth of the child you wish to make an appointment for. Please note, you will need to do this again for each child you would like to book an appointment for. When making your booking, for those offering 'Hybrid' appointments you will be able to choose whether you want your appointment face-to-face or online.

Once logged in, you should be able to see the booking dates available to you. You can then select which available date/time you would like to book your appointment for. Once saved, an email will be sent to you to confirm your appointment and a reminder sent nearer the time.

In conjunction with this letter, we have also attached a more detailed step-by-step guide to help you with booking your appointment and also accessing your video appointment. However, if you do have any issues with using the online system, please contact the school office who will be happy to help.

Yours sincerely

J Wilson
