Football Events Update

Dear Parent/Carer,

Durham and Chester-le-Street School Sports Partnership run football leagues at points throughout the year which we are able to take part in. As you can imagine, we always have a vast number of children express an interest in representing the school on our football teams. The first of the events is the Autumn League and children who have been selected for this have been notified separately. We appreciate that some children may feel disappointed but we will endeavour to provide other opportunities throughout the course of the year and further details of this will be sent out shortly.

There is a separate league specifically for girls' football which will be held in November, and further details will be sent out regarding this nearer the time.

Many thanks

Mrs Spoors
PE Lead
