8th September 2025

Year 6 to 'God and the Big Bang' at Newcastle Cathedral

Dear Parents/Carers,

This half term, on **Tuesday 7th October**, we will be making an educational visit to Newcastle Cathedral to take part in their 'God and the Big Bang' exhibit. The children will discover, discuss and debate the compatibility of science and faith through a day of interactive workshops exploring topics such as creation, climate change and innovation. Students are equipped with the tools to form their own opinions and consider some of life's biggest questions.

We need to leave school at 9.15am and will return in time to finish as usual. In order to pay for the cost of the visit, we ask for a voluntary contribution of £12 towards entry into the exhibit (any difficulties can be discussed with Miss Wilson the Business Manager, in confidence) and the school will cover the cost of the coach. We request that all contributions are paid by Friday 3rd October via Parent Pay, any problems please speak to the School Office.

Please complete and return the form below by Monday 29th September to let us know if your child will be bringing their own packed lunch or if they will require a school one. Children should not bring spending money.

Kind regards,

Mr Winn & Mrs Hodgins
