Dear God,

Thank you for
filling our lives with joy.

Thank you for giving us courage
to complete our work.

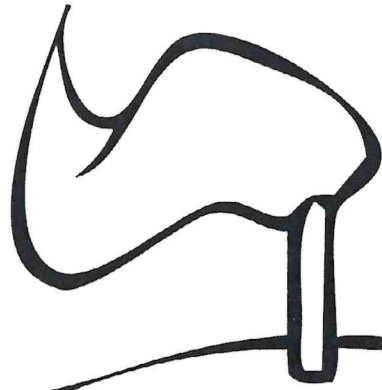

Give us the wisdom of locusts so we can
spot the light in the darkness.

Dear God,

Thank you for blessing us
with joy, wisdom and courage.

We ask you to keep filling our
classroom with courage, joy
and wisdom because with your love
all things are possible.

As we go through school we
carry your grace and strength
and ask you to watch over.

Amen.

Dear God,

Thank you for everything you have
given us and made possible.
The world is ~~not~~ the same without your
love.

Thank you for the joy that makes
us ~~or~~ jolly, the wisdom that makes
us smart and the courage to try
scary things because with God
all things are possible.

Let us have the power to spread
joy.

Amen
