

Dear God,

Thank you for the wonderful life
you gave me. Please give me the
wisdom to grant people better lives
like mine. Please give me the courage
to try new things and stop and help
people who need it.

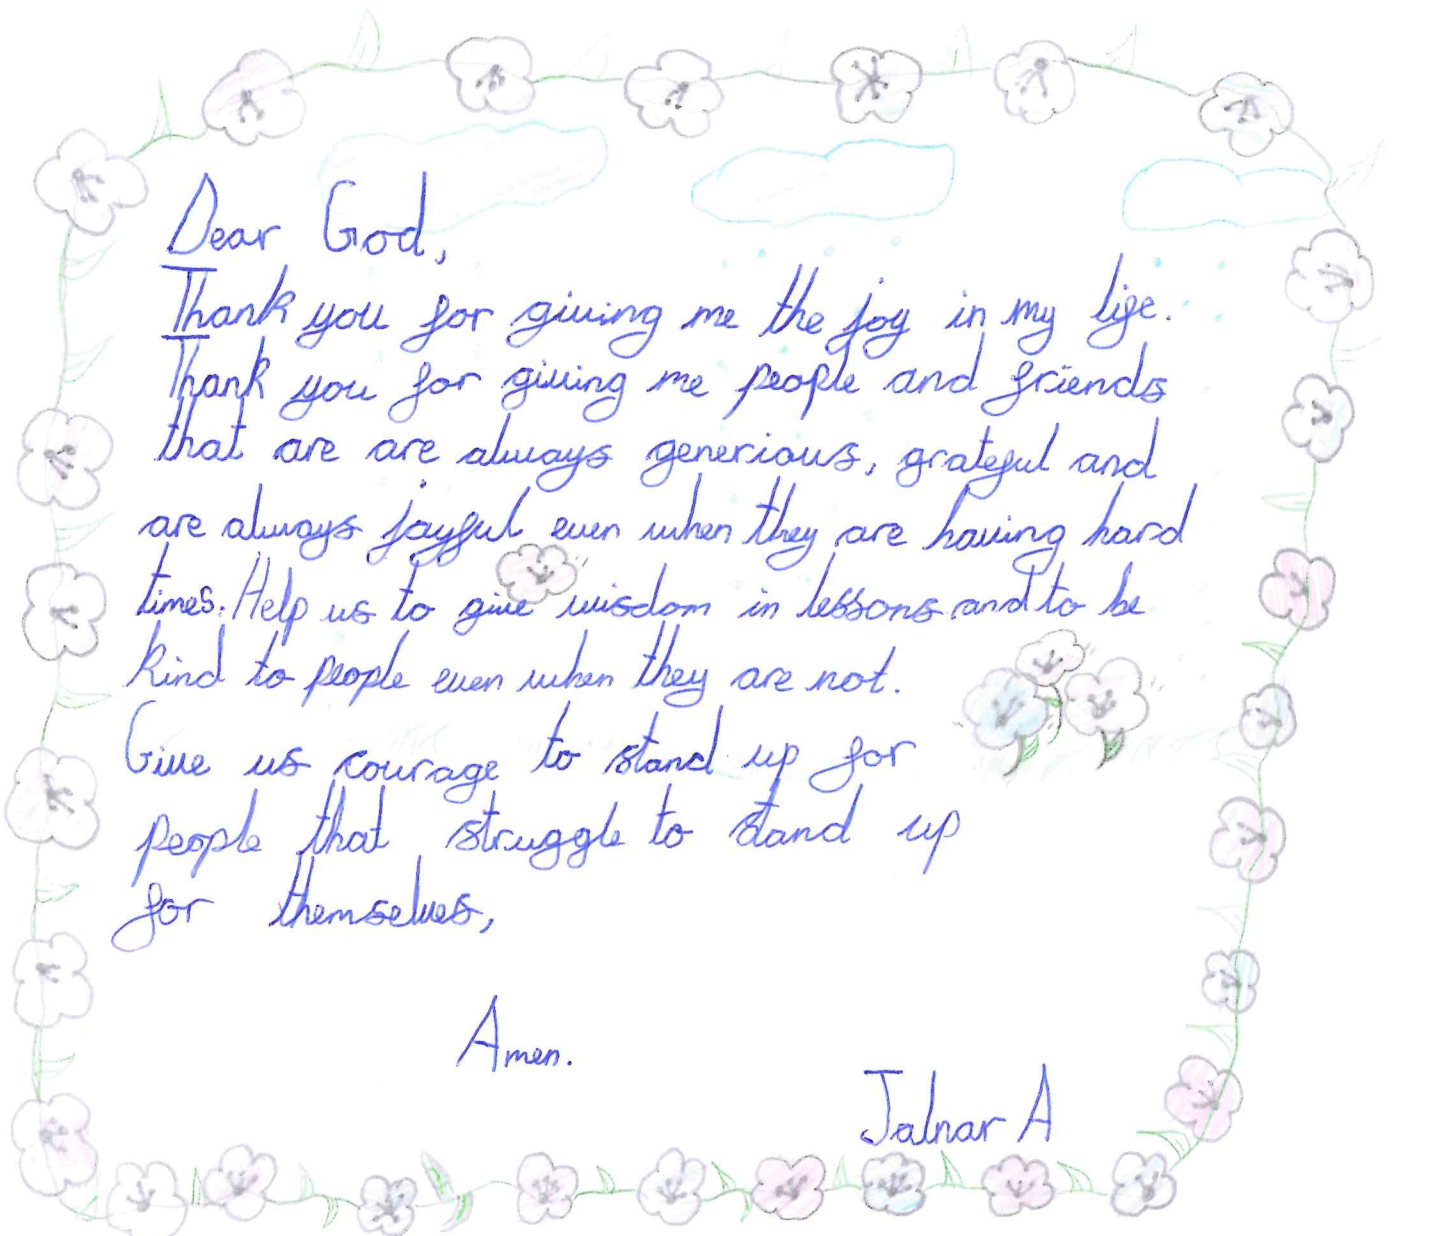

In Jesus's name,

Amen

Dear God,
Thank you for giving me the joy in my life.
Thank you for giving me people and friends
that are always generous, grateful and
are always joyful even when they are having hard
times. Help us to give wisdom in lessons and to be
kind to people even when they are not.
Give us courage to stand up for
people that struggle to stand up
for themselves,

Amen.

Dear Saviour,

Thank you for granting me beautiful things in life such as nature and family.

I will always remember that love and togetherness is at the root of the Christian faith.

I will recognise always God's love always and for ever.

Give me the wisdom to learn from mistakes and the strength to ask big questions.

Let us have strength to create a community where everyone is accepted.

Grant us the courage to speak up when things are unjust. As we leave year 6 bless ~~us~~ us with the courage to make ~~new~~ new friends and realise God is always with us.

Amen

Thank you for all the joy in this world.
Thank you for the fun we experience at
breaktimes and the wonder we find in lessons.
Please give us the wisdom to ask big
questions and use our wisdom tools. Help us
to use wisdom to become smart and kind
people. Grant us the courage to stand up
for what we know is right and good. Please
help us to try new things and keep going
with things that we find hard.

Amen
